Industry in Burgas

1. The Vasil Kolarov Electrical Factory, completed in 1952, is located near the former Chalovski Hospital near the road from Burgas to Dolno Ezerovo (N 42-31, E 27-23). The factory is approximately two kilometers from the center of Burgas and can be recognized by its tall smokestacks. Its principal product is electric wire.
2. The Stalin (former Prezhdia) Textile Factory is located on the road from Burgas to Malko Tŭrnovo (N 41-59, E 27-31), approximately three kilometers from the center of Burgas.
3. The Golemite Bulgarski Melnitsi Flour Mill and the Tolbukhin Soap and Oil Factory are located in the northwest district of Burgas. The flour mill occupies a 6-story building and grinds 240 to 250 tons of flour daily.
4. The Georgi Dimitrov (former Veriga) Factory makes ironware, barbed wire, and machines. It is located in the industrial district of Burgas, near an edible oil refinery.
5. Burgas has no power station, but draws its power from the station at the Chernomore Coal Mine near Rudnik (N 42-38, E 27-29). Pomorie (N 42-33, E 27-49), Sredets (N 42-20, E 27-11), and Karnobat (N 42-39, E 26-59) also draw power from the Chernomore station.

Government Building Organization at Burgas

6. The okrug administration of the Dŭrzhavno Stroitelno Obedinenie (Government Building Union) in Burgas is located in a 3-story building at No. 15 Atanas Slavov Street. The okrug administration has four okoliya branches, one each
